VISION

To develop a love for learning in a safe and nurturing environment that ensures the holistic development of every child.

MISSION

To provide opportunities to children to explore, experiment, experience, enjoy and to evolve into confident young learners committed towards excellence in every sphere.

OUR CORE VALUES

- ❖ **Honesty** : It is facet of moral character and connotes positive and virtuous attributes such as integrity, truthfulness, loyalty and straight forwardness along with absence of lying or cheating. It is important on a personal level.
- ❖ **Responsibility & Accountability** : We are a responsible person when we accept the results of the decisions we make. It is the state or fact of being accountable and answerable for our actions.
- ❖ **Sensitivity** : We can be different in ways, lifestyle and opinions, however we care enough not just about each other but exhibit respect and love for fellow beings and our mother earth. Being sensitive means we care more, love more, listen more and be more understanding of one another.
- ❖ **Pride in One's Own Culture** : Our country stands for its cultural and linguistic diversity, the endurance and hospitality of our people coupled with patriotic sentiment. We respect and take immense pride in our rich heritage.

MESSAGE FROM THE MANAGEMENT

SHRI RAM KARAN HOODA

MRS. SHEEL KARAN HOODA

As The Little Shri School completes another year, We are filled with immense pride and happiness and express our gratitude to God Almighty for helping us come full circle. Right from its inception to now, our institution has marched forward to spread the light of education and pave the path of academic excellence for every student. The key focus areas continue to remain - creating opportunities, challenging minds, encouraging innovation and sustaining excitement. Today, we may proudly say that what began as a dream has successfully made its mark in the city's blooming education sector. Indeed, TLS shines brightly among all other top city schools. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children.

It has indeed been an eventful year, replete with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who are able to hone their talents and channel their energy into productive, creative work. This remains our belief at TLS, that students can achieve their full potential only when they are given free rein to develop their innate talents.

The unique blend of academics, co-curricular activities and value education imparted at the school continue to set it apart from the crowd. It remains our humble wish that TLS continues to shine as a lighthouse of goodness and truthfulness. That in addition to academics, the young ones who pass through its corridors may become caring, productive and responsible citizens and future leaders of the country. Once again, We commend the entire team and student body of The Little Shri School for their achievements. We pray that God showers each one of us with his divine grace and blessings, and that our school continues to grow in faith and integrity.

MESSAGE FROM THE MANAGEMENT

MR. MAYANK KARAN HOODA
EXECUTIVE DIRECTOR

MR. PRIYANK HOODA
DIRECTOR

There is hardly a point in a person's life when he/she can sit back and say "There is nothing more to learn, I can relax with the comforting thought that the universe around me is an open book. I know it all."

Education is not just about the subjects that are learnt and taught in school. Becoming educated is not restricted to being in school and then in college, gathering certificates and feeling proud of oneself. It

is a lifelong exercise that can be unbelievably exciting if only we wish to jump onto the train of experience and take a trip to every conceivable place on the Earth. Now we know that this cannot be done literally, so how do we manage it, first in school and then as we go on through the journey of life.

First, we all have to be on the same page: children, teachers and parents have to understand that education is not restricted to lessons taught in the classroom from text books. Parents and teachers must encourage children to ask as many questions as they can. For it is in wanting to know that will result in actually getting to know.

The thirst for knowledge is not restricted to the child. It is also essential for a parent and a teacher to keep adding to their own knowledge bank by keeping their eyes and ears open and by reading, exploring and researching as much as possible and ensuring that children develop these habits as well.

"We received the fundamentals of our education in school, but that was not enough. Our real education, the superstructure, the details, the true architecture, we got out of the public library.

Besides all of the above that add to children becoming truly educated, schools and teachers must ensure that children have a society of enriching experiences. Surprisingly, these experiences develop a child's creativity and imagination and lead to something that is often thought to be more important than knowledge. Creativity and imagination make children grow up to be productive adults who then arrive as citizens of the world ready to make their own great contribution to mankind.

"Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand." - Albert Einstein

Our message to the Principal, Staff, Students and esteemed Parents of The Little Shri School, is to dedicate this year to a correct understanding of what education really means and let us all benefit from this understanding.

GOING BEYOND LEARNING TO DISCOVERING

At The Little Shri School we believe that learning must lead to an awareness and recognition of one's individual sensibilities, and to the development and moulding of character, whereby one's dignity and self-worth is enhanced.

At The Little Shri School we encourage students to develop their own understanding and impressions of failure. Shaping character and developing sensitivities is paramount which is achieved by.

- 1) Circle Time
- 2) Wonder Time
- 3) Discovery Hour
- 4) Show and Tell
- 5) DEAR (DROP EVERYTHING AND READ)
- 6) Story Telling
- 7) DEED (DRAMA EXTEMPORE ELOCUTION DEBATE)
- 8) Life Skills
- 9) HOTS (HIGH ORDER THINKING SKILLS)

GOING BEYOND CLASSROOMS TO EXPERIENTIAL LEARNING

The abiding obsession at The Little Shri School is to make learning inspiring for children, inculcating the desire to enquire, explore and experience. This is why the pedagogy, the day-to-day curriculum and the facilities are planned and formulated to nurture the drive to question and share, with both their classmates and teachers.

The Curriculum at The Little Shri School allows children to reflect, analyse and synthesize, take initiatives, make decisions and be accountable for the results. We engage students Intellectually, Creatively, Emotionally, Socially and Physically.

GOING BEYOND TRAINING TO COLLABORATING

The three-way partnership with school and parent ensures that the child remains the focal point of all the decisions. Supportive and open relationships coupled with meaningful parent engagement results in improved educational outcomes.

- 1) Consequently, we see our relationship with parents as a healthy, interactive partnership. We foster this through various 'bridges' through which we connect with parents.
- 2) Welcoming constructive suggestions and ideas from all parents
- 3) Organizing opportunities and activities for student where interaction is encouraged with resource persons, educators and school counsellor.
- 4) Workshops for teachers and open - teacher interactive sessions with nationally and internationally acclaimed trainers.

GOING BEYOND CARING TO WELL BEING

To promote social and physical well being of students, we at The Little Shri School have an agreed set of core values which empowers facilitators to plan in a way that every child is looked after with utmost care in a safe and secure environment.

Our dietician custom designs the weekly menu according to the needs of the students. For the continuous honing of faculties and monitoring to ensure a healthy mind, our psychologist continuously evaluates the growth of our students and provides guidance that helps them through their journey.

We have a fully equipped infirmary under the charge of a trained and experienced nurse. Even more, we are the first school to have an in house ambulance facility, CCTV and GPS enabled air conditioned fleet of buses and 24x7 CCTV surveillance of the campus for safety and well being of our students, so that should there ever be a health emergency, it can be handled with speed and care.

KARAN FOUNDATION

A CSR unit of The Little Shri School

GOING BEYOND RIGHTS TO DUTIES

Karan Foundation was setup as a Corporate Social Responsibility (CSR) arm of The Little Shri School, which is a leading progressive school in the heart of Rohtak City. The Foundation builds on the heritage of its Founders, Mr. Ram Karan Hooda and Mrs. Sheel Karan Hooda, who believe in contributing to the society through education and creating awareness about various environmental and societal issues.

Their Legacy is carried forward ably by Mr. Mayank Karan Hooda through running various programmes to improve the quality of education in the city, create awareness through 'Nukkad Nataks' and bringing positive change in the youth and the community. To achieve this, Karan Foundation has joined hands with Government bodies, academic institutions, corporate and the local communities. Karan Foundation is sponsoring a blind school, educating children of economically weaker section and girl child by providing financial aid and assistance. It strongly supports the campaign – 'Beti Bachao Beti Padhao' and is spreading awareness in the society about celebrating the birth of girl child, caring for her and educating her. Kids for tiger, Shri Paryavaran and community reach are other initiatives taken up by Karan Foundation.
