

Important Decisions taken by SMC in SMC Meetings held in Academic Year 2020-21

Fee Structure

Fee structure for the session 2021-22 was finalized and it was directed to submit the form – VI to the DEO.

Discussion on Admission discount for session 2021-22

It was discussed and decided that in view of COVID-19 pandemic situation, admission charges be waived off.

Discussion on Waiver of Annual Charges for session 2020-21

The point was discussed at length and it was decided to waive off around 40% Annual fee of all students. Also, after seeing the rise in number of withdrawal applications because parents were facing financial constraint due to COVID-19, it was decided to waive off 100% Annual Charges for students who wish to continue education in the school as a goodwill gesture.

Up-gradation of Infrastructure:-

The School Principal desired that the Science labs need to be upgraded. It was discussed and decided to upgrade and expand the Science Labs.
